When can I register for summer courses?

1. Go to https://buckeyelink.osu.edu/ and click on “My Buckeye Link” to log-in

2. On the right hand side, you will see a section called “Enrollment Information” – click on the “details” link

3. Select the appropriate term *(yes, you can also see Autumn 2018 now)* and click Continue
4. The date and time listed under the “Appointment Begins” column is when you can begin enrolling summer courses.

Term Structure

The 12-week summer term is comprised of multiple sessions and coursework options, which include:

Tuition and Fees

Students are charged for summer classes in the same way as autumn and spring classes. You can find specific tuition and fee information on the OSU Registrar’s website.

Tuition Incentives

For Summer Term 2018, instructional fees, and general and non-resident surcharges for Columbus campus undergraduates will be discounted by 25 percent compared to autumn and spring semesters. The goal of this reduced cost is to provide the opportunity for students to enroll in summer classes while saving money, and staying on track to complete their degrees.

More information about Summer 2018 term can be found online here.
How do I search for summer courses?

1. Go to https://buckeyelink.osu.edu/ and click on “My Buckeye Link” to log-in

2. Click on the “Add a Class” link

3. Select the appropriate term (yes, you can also see the Autumn 2018 schedule now) and click Continue
4. Click the “Search” button

5. If you know the exact course you wish to add, you can search for it specifically. (ex: ENGLISH 1110.01)
6. Be sure to pay attention to session and meeting dates.

7. If you do not have a specific course in mind, but know you need to fulfill a General Education: Literature course (for example), you can use the “Additional Search Criteria” feature.
8. Again, please pay attention to session and meeting dates as they will differ for each course.

9. You can narrow your search by using additional filters.

- You can filter by a specific summer session.
- You can use the Distance Learning filter to search for online course offerings.

*If you are looking for an online course only, you would not need to have Columbus campus selected.*
Taking courses at another institution

**Math Courses:** please follow the instructions on the Math Department’s Website

**Other Courses:** If you are considering taking coursework at another institution over the summer, please be sure the course you plan to take is a **direct equivalency** of the class you wish to earn credit for here at OSU **BEFORE** you enroll in the course.

There are available resources on the Transfer Credit Center’s website to help you determine how courses from other institutions will transfer (or not transfer) to OSU.

Remember, a course designated as a general education course at another institution does **not** mean it will fulfill the same general education requirement here at OSU. The Course Catalog will help you determine which OSU courses satisfy which general education requirement.
